**From the American Academy**

- Follow the road towards the airport until you come to a roundabout with a large fountain and statue - there will also be a large athletic centre opposite. Take the exit just before the dual carriage way exit to the airport.
- Take the right onto the street signposted 'Adonidos St'.
- As you follow this road, you'll notice a wasteland on your right - this is the church parking area.
- Take the next left just before the no-entry signs. The church is then almost immediately on your left.

**From Faneromi Church**

- Follow the road straight over the traffic lights towards St Lazarus Church.
- Take the first left immediately after passing a school on to 'Adonidos St'.
- Take the first right. The church is then almost immediately on your left.
